

METHODIST REVIVAL COMES TO A CLOSE ON EASTER SUNDAY

Last Day of Great Meeting Expected To Be Greatest — Large Class To Be Baptized and Received.

Friday evening was another test on the faithfulness of the revival crowd. It stormed and poured down rain but this did not prevent an unusually large crowd from assembling in Third Street Methodist church to enjoy the good meetings now nearing the close. The pastor, Rev. Peters, preached a Good Friday sermon, his subject being "The Plan of Redemption Finished." The sermon added that much more to the interest created by these Passion Week messages. Prof. Grenfell sang "They Led Him Away to be Crucified" a very appropriate song for the occasion.

One of the wonders of this revival has been the regularity and faithfulness of the choir. There has not been a service but what there has been near fifty on the platform and sometimes over seventy-five. Prof. Grenfell in complimenting the choir Friday evening said there was splendid material for a choral society in Maysville. He suggested that such an organization could be formed and it would be a great thing for the churches as well as a being a source of enjoyment to the singers as well. It is hoped that this organization may assume definite shape and render greater service in the future. Prayer meeting reports were again excellent. As this was the last day for revival prayer meetings it was voted in practically all of them to continue the group prayer services at least once a week. The women feel that they have gotten so much good from these meetings that the continuance of them will be a greater blessing.

All things are now ready for the final day — Easter Sunday. At the close of Sunday school a large class will receive the sacrament of baptism. The class for membership will be received at the evening service. It is expected that it will be the largest class received in years in this church. It is the feeling of pastor and congregation that the revival has been the most effective held in Maysville in many years. The church can now go forward with a larger program for service than ever.

MAYSVILLE-PORTSMOUTH GAME SUNDAY AFTERNOON

Contest Between Local Bluegrass League Team and Portsmouth All-Stars Promised to be Interesting.

A large crowd is expected out to the East End park Sunday to witness the game between the local team and the Portsmouth All-stars. Manager Boskins has selected his pitching ace Elennian to start the game against the Portsmouth boys. Connolly will be behind the bat for the Rivermen. Slayback will hold down the second bag. Class will play the short field. Kresser last year's star short stop will play third. Dresel or Hatfield will hold down first base. The outfield will be Wiemer in center Boskins in right and Margum in left. This is a strong lineup and is hard to beat. Shaw and Riffel, two pitchers will be ready to go to the mound when necessary.

The Portsmouth and Maysville teams came together last season in two games and each claimed a victory. This season both teams have a stronger lineup and a better game is expected. The game will start immediately after the Cardinal Band gives its Easter concert.

RIVERS OVERFLOW CAUSING DAMAGE IN THREE STATES

Ohio, Indiana and Illinois Streams Overflow Banks Causing Damage — No Fear of Flood in the Ohio Valley.

"NO FLOOD DANGER" The Ohio River will rise about 10 feet Saturday and Sunday and then become stationary, Weatherman Devereaux announced Saturday. The crest will not go over 42 or 43 feet, he stated. It will become stationary Sunday night or Monday morning. "There is no flood danger at this time," Devereaux said.

Chicago, April 15. — Following five weeks of almost continuous rain, rivers in the Mississippi, Ohio and Missouri basins were overflowing today, causing millions of dollars' property loss and intense suffering.

Hundreds have been driven from their homes.

The heaviest loss will be suffered by farmers through drowning of livestock and through inability to get into their fields to prepare for crops, due to the unseasonable weather.

The damage was most severe along the Illinois River, where levees have given way, flooding thousands of acres of land.

Families in East Peoria fled to higher ground last night on warning that a levee protecting the district might give way at any minute, releasing a 20-foot wall of water.

Railroad trains, running over "rubber" tracks on a roadbed undermined by water, crept along at five miles an hour. In many places the rails were under water.

Refugees crowded schools and churches. Trucks and autos throughout the night carried household belongings to higher ground.

The water, which has covered three-fourths of the city of Beardstown, Ill., still was rising today. More than half the population there was driven from home.

Rivers and streams surged over their banks today in the biggest flood Indiana has seen since 1913. Cessation of rain today halted the rapid rise of waters in Ohio tributaries of the Hocking River.

A flood nearly as great as that of 1913 was threatened during the night, and warnings were sent to communities in the Scioto and Olentangy valleys.

WOMAN WOULD GUIDE HER HUSBAND FROM SPIRIT WORLD

Newark Woman, Crazed on Spiritualism, Kills Her Baby son and Attempts to Take Her Own Life.

Newark, N. J., April 14. — Mrs. Maud Fancher, who swallowed poison yesterday, after playing her baby son, Cecil Raymond, hoped to guide her husband to happiness as an emancipated spirit. She is at death's door in the City Hospital.

The story of her belief in Spiritualism was told in three letters—one of twenty pages, written before she took the poison, one after the baby's death, and the third as she was half-conscious herself.

Mr. Fancher said today that soon after they were married in Detroit, three years ago, he and his wife attended a seance at a private home in that city and both talked to their dead parents. Since that time, he said, Mrs. Fancher had taken a great interest in Spiritualism.

"That seance," he said, "put the whole idea into her head. She thought she could do better for me if she were dead, and would guide me from heaven."

Mrs. Fancher's health had been very poor since the birth of her son, and she felt, her letters indicated, that her death would relieve her husband of a severe handicap. She took the baby's life because she could not bear to think of some one else caring for the boy, she said.

RING LARDER WRITES ON "QUEEN OF SHEBA"

Fox's Masterpiece to be at the Pastime Theater During the First of Next Week—Wonderful Scenes.

Ring Larder, the noted humorist whose writings on sports and other subjects have handed the entire country many a laugh, saw "Queen of Sheba," the William Fox great love spectacle at the Pastime theater the first four days of next week, and wrote to the producer the following letter from Great Neck, Long Island: "Dear Mr. Fox:

"Well I see the Queen of Sheba and got a good laugh when Solomon showed the 10 commandments to his 4 yr. old kid David and told him to never break none of them, as I have also got a son David that ain't only 2 yrs. old and has all ready man handled the most of them and beat No. 5 into a state of torpor. And if Solomon was such a wise cracker why didn't he marry the Sheba gal which would give him another \$1000 personal exemption making a total of \$1,001,000 off for his wifes alone and from what I see of her he could of went without camels a couple of days and kept her in clothes for a yr. But all and all you got a swell picture Mr. Fox and it looks to me like more people would read the good book if Virginia Tracy had wrote all of it.

"Yours and etc.

"(Signed) RING W. LARDER."

MOONSHINER GETS LIFE SENTENCE ON CHARGE OF MURDER

Second of Gang of Moonshiners Who Caused Reign of Terror in Elliott County Is Given Life Imprisonment.

Grayson, Ky., April 15. — Jim Barker, charged with the killing of Danny Sparks in Elliott county last June when Sparks, his sister, his aged father and brother were slain by alleged moonshiners as the Sparks family was returning from church, was found guilty in the Circuit Court Friday and sentenced to life imprisonment in the State Penitentiary.

Richard Sparks recently was sentenced to life imprisonment for the murder of Mary Sparks, Danny Sparks' 14-year-old sister, who threw herself in front of her brother and stopped a bullet meant for him.

Wesley Sparks, a third member of the party which did the killing, is to be tried here in September.

The players and their friends created a reign of terror in this county following the murders. Witnesses were intimidated and some of them left the country under threats.

Some families moved away leaving their crops and livestock in the fields. The murders were the result of information given to the grand jury by Danny Sparks.
